Project 1

Project Name and name of organisation/group that will deliver the project. Enhanced FREE coaching at the Scarborough Bowls Centre
Describe what your project will do and how it will benefit residents of Scarborough. (max. 100 words) A laptop computer and High Definition video camera would greatly enhance the quality of coaching given to bowlers of all abilities – <u>particularly children & new participants</u> . The equipment could also be used for promotional purposes to advertise the facilities and opportunities we have to offer within the local community. This could be achieved through the further development of the Centre's website, the production of Powerpoint presentations and the ability to produce our own DVDs for awareness campaigns. The equipment needed would advertise the Centre's activities and facilities across the whole Borough. The equipment would be used by VOLUNTEER coaches and stewards.
Where will your project be delivered? (max 20 words) Scarborough Bowls Centre, Peasholm Road
Which priority(s) will your project meet? All residents of the Urban Area are able to make use of the Centre. The sport of Bowls brings together all 3 generations (Grandparents / parents / children) and is a positive experience for ALL. The Centre already provides a sustainable, accessible all year round, indoor tourism activity. It provides the opportunity for a healthier lifestyle for young and old alike – but is particularly beneficial to older persons offering achievable activity in a safe environment.
When will your project start? IMMEDIATELY
How much grant are you requesting? £1,298
How much will your project cost in total? (Provide a breakdown of key project costs) £1,298 (Macbook Pro Laptop £999, Camcorder £299)

<p>Project Name and name of organisation/group that will deliver the project.</p> <p>Two enclosed notice boards for Friends of Falsgrave Park working with Manor Road Parks and Gardens staff.</p>						
<p>Describe what your project will do and how it will benefit residents of Scarborough. (max. 100 words)</p> <p>The project will improve communications with local people, its events, rules and features.</p> <p>Currently, notices are displayed by tying them to the railings. This looks unattractive and notices are frequently torn down. This is dispiriting to the group's volunteers who organise events that need promoting and does not convey an appropriate message to park users.</p> <p>The two notice boards will also help make this a safer area for all by showing contact numbers for police, rangers, anti social behaviour and the Friend's chairman.</p> <p>Overall, they will increase the Park's usage, rewarding the work put in by Parks and Gardens staff and volunteers.</p>						
<p>Where will your project be delivered? (max 20 words)</p> <ol style="list-style-type: none">1) West side of the Park (Springhill Lane) for Sandybed/Lightfoots area residents2) East side (Springhill Road) for Seamer Road area residents

Activity Programme within South Cliff Gardens organised by the Friends of South Cliff Gardens
Describe what your project will do and how it will benefit residents of Scarborough. (max. 100 words)
The Friends would like to create a programme of events for residents and visitors to the area. The programme over the next 12 months would be inclusive to all members of the community. It is important that we increase the number of people using the gardens and special activities are a perfect way to reach new users. There would be a special display of plants in the shelter near Holbeck Clock Tower, a musical entertainment in the Prince of Wales Gardens and a barbecue in St Martin's Square. The geographical spread and diversity of events would increase the "reach" of the programme of activities.

Scarborough Symphony Orchestra: purchase of percussion instruments
Describe what your project will do and how it will benefit residents of Scarborough. (max. 100 words)
We wish to purchase percussion instruments so that we can give opportunities for local amateur players to learn and play instruments which they cannot afford to buy themselves. We particularly want to interest younger people in classical music – we waive membership fees and give free entry to concerts for all young people under 18. Residents will benefit from more exciting concert programmes which include these instruments. We are Scarborough's only full-scale symphony orchestra and although we are 60 years old this is the first time we have applied for a grant from the Borough.
